Who does the girl in the video perform for at the end of the video?

Which primary sport activity is being shown in the video?

What are the emotions depicted in the video?

- 1. I just lost my grandpa a few weeks ago. I sobbed at 00:50. I would perform for him every time he couldn't make it. I miss him 50
- 2. The smile on that girl's face after the final stop always makes me cry. Like she's proud she could put on a show for the only audience that matters. A moment that even money can't buy
  3. Proudly built in GEORGIA!
