

RELIEVE THE FUEL SHORTAGE

AMC Gremlin is the only U.S. sub-compact with a standard six-cylinder engine. Yet for all its engine, the car is very easy on gas. Averages over 18 mpg, depending upon the way you drive. And Gremlin still out-accelerates, weighs more, has a wider track, wider front seat, and wider back seat than any other car in its class. If you want to know what else Gremlin relieves, price one.
